

## **Surf Rescue Certificate (SRC) and Bronze Courses**

The First of these courses are beginning, with an information, registration and induction day on **Saturday 24 September 2022 at 09.00 for SRC and 10.00 for Bronze candidates, in the Fingal Beach SLSC,club room.**

These courses will culminate with a final assessment at Fingal Beach on Saturday 03 December 2022.

If you know someone who is not a member of the club, and might be interested, they are more than welcome to attend the information session on the 24 September 2022.

For the Nippers who are doing the SRC course, (Minimum age is 13 Years old before the final assessment). I would like at least one parent or guardian present at the introduction day.

Minimum age for Bronze candidates is 15 Years old before the final assessment.

There is no maximum age for both SRC and Bronze Courses, so if you have thought I would like to give that a go, come along and see what is involved, it might not be as hard as you think.

For further information please contact the CTO, via the contact details below or attend on the registration day.

**Regards**
