New Members – Welcome!

New members can also use the members portal to register (use the same link above). You can create your own account, register, and pay your membership fee all online. Please do liaise with our registrar prior to this so you can determine the costs and for new nippers send through copies of your child's birth certificate and parents driver's license. The originals will need to be sighted on the first day of nippers. All nippers must have an adult join with them as an associate member.

Active Kids Vouchers

Fingal Beach has registered for the Active Kids initiative and can accept the Active Kids vouchers issued by Service NSW. **Please see instructions below as Active Kids Vouchers can only be used with individual memberships.**

Working with Children Check

We encourage every member over the age of 18 to obtain and supply the club with a Working with Children check number.

If you have not already obtained your Working with Children check number or are required

to update the number, the following link will take you to the Office of the Children’s Guardian website <https://www.check.ocg.nsw.gov.au/Apply> this number can then be emailed to the registrar for your details to be updated.

Identification

All new nippers/members must supply their birth certificate/driver’s license/identification to either the Registrar or Secretary. We will be available on the first 2 weeks of nippers to visually check the originals against the copies that we have been sent previously. Please ensure that you bring them with you.

Junior Carnival Packs

There will be no Junior Carnival Packs for purchase this season.

Registration and payment for individual carnivals will be taken TWO weeks prior to each carnival on the regular Sunday morning Nipper days. Costs for each carnival will be advised prior to this.

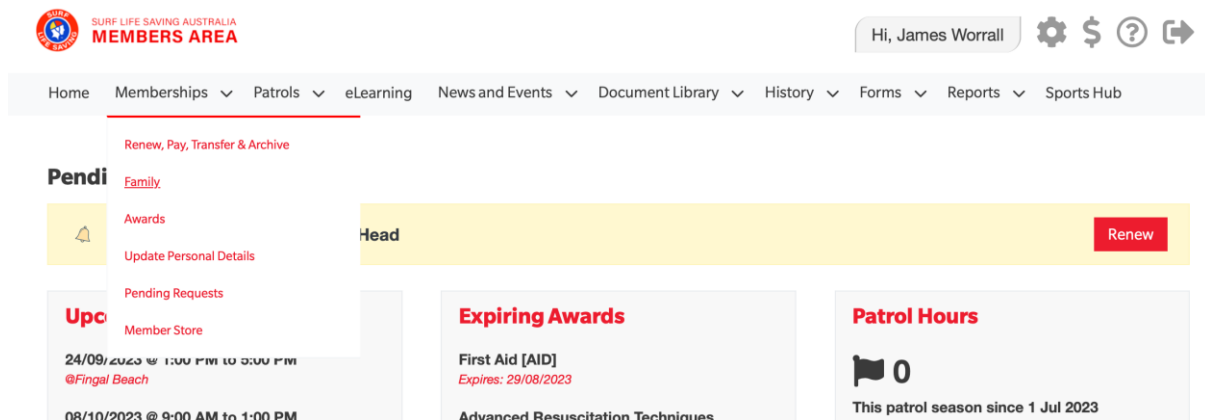

We have been advised that each Surf Lifesaving Club that enters competitors into carnivals is required to supply a certain number of water safety and officials in relation to competitor numbers. This is a requirement that we have struggled to meet in the past. If you would be interested in obtaining your Officials or Bronze Medallion qualification so that you can help out at these events it would be greatly appreciated. Please contact training@fingalbeachslsc.com to register your interest.

Please note: Nippers must have competed in 75% of the Hunter Branch carnivals to compete at the State Age Carnival, there are no exceptions to this rule.

We look forward to seeing you all on the beach!!!

How to use the portal:

Once you are into the portal, you should see the following screen:

Family Registrations

If you have a family group, click on the family group renewal, if your family members are already linked you can register everybody in one go or you can create your family group from members already in the system.

Note: Due to recent upgrades of the members portal, family membership does not recognise the Active Kids vouchers. If you would like to use these, you will need to register your children individually and use the Active Kids Voucher that corresponds to each child's name to the value of \$60. This means that you will only need to pay the \$10. Parents will then also need to register individually.
