

Dear Members,

We are looking forward to the upcoming Nippers season, where we welcome back existing members and new members. We hope clear skies and sunshine are on the horizon!

Just wanted to alert members to some Surf Life Saving changes for using Active Kids vouchers prior to registering for this season. These changes have been made State wide and are applicable to every surf club in Australia.

Active Kids Vouchers are still happily accepted by our Club, however, they can only be used as payment for members who are 5 to 18 years old and to the value of \$60.00. The Active Kids vouchers are no longer able to be used as part of a family membership payment.

When using an Active Kids Voucher you need to register each individual child separately to enable their voucher code to be inserted. That means you cannot renew as a family membership and insert an active kids voucher. Renew each child's membership separately, insert the voucher code, and then renew adult members.

All adult members will need to make a payment for either Associate membership (\$70) or Patrol Membership (\$60).

The club wanted to give members early notice in case it is more economical for members to use the voucher for another sport your child/ren may be involved in.

Existing members will need to renew registration through their account on the online portal. Should you have any issues or problems please do not hesitate to contact me.

New members will be able to register at the Club on Sun 18 th and Sun 25 th Sept between 2:00- 3:30pm.

We look forward to another great season.

Warmest regards,

Jackie Samimi  
FBSLSC Registrar
