

Dear Members,

Welcome back to another season at Fingal Beach SLSC. We are looking forward to getting back to patrolling this season with the first patrol to start on Saturday the 24th of September 2022.

Patrolling should be back to its traditional structures and most of the COVID-19 restrictions and changes will be a thing of the past.

The club committee, Education and Lifesaving teams have been working hard throughout the off season to make sure that all members are supported, up to date will all changes of the awards, equipment has all been services and even some new equipment has been added.

We are committed to keeping all members of the club safe and thank you for your understanding and support as we come out of all the changes of COVID-19 in past 2 seasons.

The patrol roster is up and should reflect the most current information and individual awards.

As always if you are unable to attend a patrol please utilise the patrol sub Facebook group. You can find the page by clicking the link found on the webpage.

We look forward to seeing you all on the beach shortly and to another great season at Fingal Beach SLSC. With our aim to always be no lives lost at Fingal.

As always if I am able to help in any way please send me a email or give me call.

Kind Regards

Adrian Futterleib

Director of Lifesaving
